The Electric Reliability Council of Texas (ERCOT) manages the flow of electric power to 24 million Texas customers, representing about 90 percent of the state's electric load. As the independent system operator for the region, ERCOT schedules power on an electric grid that connects more than 46,500 miles of transmission lines and 570+ generation units. ERCOT also performs financial settlement for the competitive wholesale bulk-power market and administers retail switching for 7 million premises in competitive choice areas. ERCOT is a membership-based 501(c)(4) nonprofit corporation, governed by a board of directors and subject to oversight by the Public Utility Commission of Texas and the Texas Legislature. Additional information about ERCOT can be found at <http://www.ercot.com/>.

2. At any time prior to the Quote Deadline, a respondent may withdraw its submitted quote by submitting an email with a signed request for withdrawal to the ERCOT RFQ Contact.
3. ERCOT reserves the right to reject any quote, to reject all quotes, to accept any portion of a quote, or to accept all quotes if deemed in the best interest of ERCOT to do so. ERCOT also reserves the right to accept informalities and minor irregularities in quotes received.
4. ERCOT reserves the right to cancel this Request for Quote at any time, without penalty.
5. All respondents submitting quotes shall keep their quotes open for acceptance by ERCOT for a period of 120 days, unless otherwise noted.
6. All materials submitted regarding this RFQ become the property of ERCOT and will only be returned to the respondent at ERCOT’s option.
7. Any restrictions on the disclosure or use of data and materials contained within a quote must be clearly stated in the quote itself with the indication of enclosed proprietary information as stated in this paragraph. If proprietary information is submitted, it must be placed in a separate, sealed envelope with the following information clearly and conspicuously marked: “Proprietary Information Enclosed” RFQ Name, Quote Deadline.
8. No oral or written statements made by ERCOT personnel shall be considered addenda to this RFQ unless the statement is confirmed in writing and identified as a written addendum to this RFQ by the ERCOT Procurement RFQ Contact Person.
9. ERCOT reserves the right to seek quote clarification from any respondent to assist in making decisions.

15. ERCOT will evaluate quotes and consider cost, reliability, quality of service, and other factors. Contracts/Purchase Order(s) will be awarded to the respondent whose final quote will be the most advantageous to ERCOT. Due to the evaluation procedure for the Request for Quote, lowest dollar price MAY or MAY NOT indicate the successful awardee. Price constitutes only one of several evaluation criteria.

16. Complete payment by ERCOT will be made ONLY after specifications are met and services are accepted by ERCOT. Alternate payment quotes will be reviewed and evaluated by the ERCOT Procurement Department and Accounts Payable Department.
17. A respondent may submit any additional information or data not requested in this RFQ (which the respondent believes should be considered in the evaluation of a response) by including in its quote a separate section entitled "Additional RFQ Bid/Quote Information."
18. Upon review and approval of the evaluation committee's recommendation for award, the ERCOT Contact will issue a "Notice of Proposed Award" to a respondent. All other respondents may be notified that an award has been made, but ERCOT does not commit to giving specific feedback to individual respondents.
