**Item No.:** 11.2

**Issue:**

Ratification of Officer of Electric Reliability Council of Texas, Inc. (ERCOT), effective June 17, 2024.

**Background/History:**

Sections 8.2 and 4.10 of the *Amended and Restated Bylaws of Electric Reliability Council of Texas, Inc.* (Bylaws), require that the ERCOT Board of Directors (Board) ratify ERCOT Officers for terms not to exceed one year. Section 8.2 further provides that Officers may be re-elected or re-ratified for consecutive terms without limitation and that all Officers shall hold office until their successors are chosen and qualified or until their earlier resignation or removal.

At its meeting on June 17, 2024, the HR&G Committee will consider the ratification of the following Officer, effective June 17, 2024, for a term while employed not to exceed one year as recommended by Pablo Vegas, ERCOT President and Chief Executive Officer (CEO):

- Keith Collins – Vice President of Market Operations.

**Key Factors Influencing Issue:**

- The Bylaws require the ratification of Officers at least annually.
- ERCOT must have Officers to perform its statutory and corporate functions.
- It is preferable to ratify Officers as the CEO promotes or hires executives for certain leadership roles.

**Conclusion/Recommendation:**

Pablo Vegas, ERCOT President and CEO, has recommended, and the HR&G Committee is expected to recommend, that the Board ratify the following new ERCOT Officer, effective June 17, 2024, for a term while employed not to exceed one year:

- Keith Collins, Vice President of Market Operations.

WHEREAS, the Board deems it desirable and in the best interest of ERCOT to ratify a new ERCOT Officer as recommended by Pablo Vegas, ERCOT President and Chief Executive Officer (CEO), and the Human Resources and Governance (HR&G) Committee, effective June 17, 2024, for a term while employed not to exceed one year;
