Issue for the ERCOT Board of Directors

ERCOT Board of Directors Meeting Date: October 10, 2024

Item No.: 9.2.3

Issue: Appointment of Non-Independent Manager and Officer of Texas Electric Market Stabilization Funding N LLC (TEMSFN).

Background/History:

On December 2, 2021, TEMSFN was formed, with Electric Reliability Council of Texas, Inc. (ERCOT) as its sole member, to support ERCOT’s obligations under the bonds subsequently issued pursuant to Texas Utilities Code Chapter 39, Subchapter N.

Under Sections 4.01(a) of the *Amended and Restated Limited Liability Company Agreement of Texas Electric Market Stabilization Funding N LLC* (Company Agreement) dated June 7, 2022, ERCOT, in its capacity as sole member, has powers that include the selection of Managers and Officers of TEMSFN and delegating to those Managers and Officers certain duties.

Pursuant to the Company Agreement, the following persons were designated by ERCOT in its capacity as sole member to be the initial non-independent Managers and Officers of TEMSFN:

President and Chief Executive Officer – Chad V. Seely; Vice President and Chief Financial Officer – Sean Taylor; and Vice President and Treasurer – Leslie Wiley.

Sections 8.2 and 4.10(c) of the *Amended and Restated Bylaws of Electric Reliability Council of Texas, Inc.* (Bylaws) requires that the ERCOT Board of Directors (Board) ratify ERCOT officers for terms not to exceed one year. Section 8.2 further provides that officers may be re-elected or re-ratified for consecutive terms without limitation and that all officers shall hold office until their successors are chosen and qualified or until their earlier resignation or removal. While not required by the Company Agreement, ERCOT Legal staff recommends that the Board appoint non-independent Managers and Officers as necessary and ratify such Officers of TEMSFN on a periodic basis, consistent with best practice and the requirement for annual ratification of ERCOT officers.

Annually, the Managers and Officers of TEMSFN, have re-elected the above officers. Furthermore, annually, the Board has considered and ratified the election of the above officers of TEMSFN.

On August 29, 2024, Sean Taylor, provided notice that he resigns his positions as a non-independent Manager and Vice President and Chief Financial Officer of TEMSFN, effective October 1, 2024.

Key Factors Influencing Issue:

- TEMSFN must have Managers and can have officers to perform its statutory and corporate functions.
- Effective October 1, 2024, there is a vacant non-independent Manager position and a vacant Officer position for TEMSFN.
- It is recommended that TEMSFN maintain three non-independent Managers of TEMSFN as they act by majority vote on most management matters and there are also two independent Managers whose vote is required only on certain matters (merger or voluntary bankruptcy).
- Legal staff has recommended that the officers of TEMSFN be appointed by the ERCOT Board and ratified on a periodic basis.

Conclusion/Recommendation:

At its October 9, 2024 meeting, the HR&G Committee will consider recommending whether the Board, at the October 10, 2024 Board meeting, should appoint Richard Scheel as a Manager and Vice President and Chief Financial Officer of TEMSFN.
